April 18, 2006

Sir:

On May 10, 2005, the undersigned filed a Response requesting the reinstatement of the application to pending status based upon not receiving the September 13, 2004 Office Action. The May 10, 2005 Response, makes the necessary showing for reinstatement of the above-referenced application predicated upon non-receipt of an Office Action mailed on September 13, 2004 by the undersigned's law firm. Specifically, the computer docketing and manual docketing records of the undersigned's law firm are attached to the May 10, 2005 Response which show non-receipt of any Office Action mailed on September 13, 2004. Moreover, the undersigned previously made in the May 10, 2005 Response the

required statement that the file of the application did not contain any communication involving the issuance of an Office Action on September 13, 2004.

Finally, a postcard receipt of the filing of the May 10, 2004 Response is attached.

Early reinstatement of the above-referenced application and the reinstitution of an Office Action is respectfully requested.

**RESPONSE TO NOTICE OF ABANDONMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

May 10, 2005

Sir:

The April 18, 2005 Notice of Abandonment is erroneous.

On September 13, 2004, the Group Director of Technology Center 2800 indicated that the above-referenced application would be "withdrawn to permit reopening of prosecution". No communication has been received since the September 13, 2004 Notice setting forth a new Office Action.

Moreover, it appears from the PAIR system that an erroneous entry on September 13, 2004 was placed in the system which is "mail non-Final Rejection" which would appear to be from the undersigned's file to be the aforementioned Notice of Withdrawal from Issue.

However, if the Examiner has mailed a non-Final Rejection on September 13, 2004 contemporaneously with the aforementioned Notice of Withdrawal from Issue, the undersigned does not have such in his file.

Assuming that an Office Action in fact did issue, submitted herewith is a printout from the docketing records of our firm showing that there was no matter involving the above-referenced application on March 13, 2005 requiring a response. Furthermore, the manual pages out of this firm's Sunday, March 13, 2005 and Monday, March 14, 2005 docketing records are also submitted herewith which do not contain an entry that any response to an Office Action was due.

Finally, the undersigned has inspected the file of the above-referenced application and does not find any communication therein involving the issuance of an Office Action on September 13, 2004.

To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. §1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (367.40946X00) and please credit any excess fees to such Deposit Account.
